

# Ladies Night Country Meadows Golf Club 2026

## Formats and General Notes

**Recreational League:** Play will be a balance of own-ball and scramble formats. If you would like to bring a guest, please notify the organizers as soon as possible so the draw can be adjusted for the evening.

**Texas Scramble:** A 2- or 4-player team format where everyone plays every shot on every hole, and the team chooses the best shot each time to determine where the next shot will be played from.

**Match Play (Best Ball / Better Ball):** Each player plays her own ball, but only the better score on each hole counts for the team. Match play is scored hole by hole. In these matches, the better team score on each hole wins the hole. One team may start ahead by the number of holes assigned based on the difference in handicaps between the two teams. Once a team is ahead by more holes than remain, the match is won, but either team can still win a quarter point on the remaining holes.

**Rain-outs:** If we have a rain-out, we will reschedule that night for the end of the season. If there are additional rain-outs, we will discuss options if and when they happen.

**Tee Times:** The pro shop will book tee times based on your availability. If something changes, please reschedule your match time as soon as possible.
