Membership Details

- 2025 Early Payment discount program is changed, we will have 1 discount period ending January 20th, following January 20 the full price listed will apply, with this change we extended the date from earlier in January from past years.
- Age categories are determined by age at June 1st of the applicable golf season.
- All couple categories will get a \$200 discount over the individual prices.
- Family membership price includes a further \$50 discount on the 1st Junior membership. Extra Junior members only pay the additional Golf NB dues for extra family members when applicable.
- We also have a price for a Couple with one Adult over 65 and one under 65 years of age.
- All members over age 12 are required to join Golf NB & Golf Canada, the Associations dues funds "Grow the Game", rules, course rating & handicapping, Golf Canada Ap with GPS, junior golf, incident protection for equipment and golf carts, liability insurance for members, savings programs, running championships and more. \$59.95 value for \$42 for club members.
- Green fees for 2025 will be increased as well to \$40.00 + tax + \$46.00 (Adult Membership is equivalent to less than 22 green fees at full price)
- There are many reasons why the price of your membership increases, just like what we see as individuals every day the cost of everything we do is increasing also. Wages, equipment cost and repairs, fuel, fertilizers, building maintenance and so on. If we're going to improve, we must have money to spend.
- Driving Range and Power Cart Package prices will be available in April.

Following on improvements from 2024 we plan to have John Mills back to consult with our maintenance staff to continue to improve the golf course. We are in the midst of clubhouse improvement due to need for new heating source but as a bonus more will appreciate, this we will have air conditioning added to the clubhouse for everyone's enjoyment before and after golf on those hot summer days.
